Countertop Salad Unit Food Prep Tables E-line

Model : CTST-1500-N

≡ FEATURES & BENEFITS ≡

- **Digital temperature display on front panel**
Keeps food products safe by maintaining constant temperatures. External digital display allows for easy monitoring.
- **Hydrocarbon refrigerants (R-290)**
With innovative and eco-friendly technology, Turbo Air brings you hydrocarbon refrigerators designed to meet DOE's Energy Conservation Standards in 2017 and to use EPA's SNAP Program approved HC refrigerants. Hydrocarbon refrigerants do not deplete the ozone layer and have very low contribution to global warming (ODP-0, GWP-3).
- **Stainless steel cabinet construction**
The Turbo Air model boasts a stainless steel interior and exterior. It guarantees the utmost in cleanliness and long product life. The countertop salad table adds a touch of style to the most refined setting.
- **Side mount compressor makes it easy to be serviced without being moved**
- **High-density polyurethane insulation**
The entire cabinet structure and solid doors are foamed-in-place using high density, CFC free polyurethane insulation.
- **Easy cleaning and excellent durability**
- **Static cooling system**
- **Stainless steel lids**
- **On/off Power switch easily accessible**
- **Accommodates standard GN 1/4 size, 6" deep condiment pans (pans not included)**
- **Refrigerator holds 32°F ~ 41°F for the best in food preservation**
