Mega Top Unit - *Front Breathing Airflow / Flat Lid*

Food Prep Tables
PRO Series

Model : PST-48-18-FB-N-FL

═ FEATURES & BENEFITS ═

■ Self-Cleaning Condenser
The accumulation of dust in the condenser can cause the failure or breakdown of refrigerators. Refrigerators run normally until they reach a certain level of accumulation. At some point, when they are over the limit, their performance drops quickly resulting in damage to, or disposal of the stored products inside. The Self-Cleaning Condenser device keeps the condenser clean and prevents system failure by automatically brushing daily.

■ Digital temperature control & monitor system
Keeps food products safe by maintaining constant temperatures. External digital display allows for easy monitoring.

■ Front Breathing airflow
Front Breathing airflow is designed to draw in air and discharge from the front, allowing units to run at high efficiency in tight spaces and eliminates the need for surrounding clearances.

■ Hydrocarbon refrigerants *(R-290)*
With innovative and eco-friendly technology, Turbo Air brings you hydrocarbon refrigerators designed to meet DOE's Energy Conservation Standards in 2017 and to use EPA's SNAP Program approved HC refrigerants. Hydrocarbon refrigerants do not deplete the ozone layer and have very low contribution to global warming (ODP-0, GWP-3).

■ Cold Bunker system
Our innovative forced air system allows cold air to flow all around the food pan area, covering not only underneath the pan, but also the front, top and the rear. This unique air flow creates a cold air-shield around the pan, which maintains the food temperature at under 41°F (NSF requirement) even when the lids are opened. In addition, the compartment isolates pans from the reach-in area to prevent food spillage.

■ Stainless steel cabinet construction
The PRO series model boasts a stainless steel interior (Aluminum door liner) and a **22 gauge** stainless steel exterior (galvanized steel bottom). It guarantees the utmost in cleanliness and long product life. The PRO series adds a touch of style to the most refined setting.

■ Sturdy, clean stainless steel shelving
Shelves are the most important part of cleanliness as they come in direct contact with food. Only the PRO series uniquely provides stainless steel shelving.

■ High-density polyurethane insulation
The entire cabinet structure and solid doors are foamed-in-place using high density, CFC free polyurethane insulation.

■ LED interior lighting & fan control
Energy efficient LED lighting lights every corner, making items easy to find. Fan control function automatically shuts off the fan when the door is open, which prevents hot air from being drawn in, thus maintaining the cool inner temperature.

Patented Self-Cleaning Condenser

This product is equipped with a fine mesh filter to the front of the condenser to catch dust, and a rotating brush that moves up and down daily to remove excess buildup outward and away.

■ *Spring assisted heavy duty gravity hinge*

■ *9-1/2" deep, 1/2" thick high-density Polyethylene cutting board included with convenient side rail*

■ *Lifetime guaranteed heavy duty hinges and handles*

■ *Refrigerator holds 33°F ~ 39°F for the best in food preservation*

■ *Built to maintain NSF standard temperatures in 100°F ambient*

ELECTRICAL DATA

Voltage	115/60/1
Plug Type	NEMA 5-15P
Full Load Amperes	6.5
Compressor HP	1/5
Cord Length (ft.)	10
Refrigerant	R-290

DIMENSIONAL DATA

Ext. Length Overall (in.)	48 1/4 (1225mm)
Ext. Depth Overall (in.)*	34 (865mm)
Ext. Height Overall (in.)†	33 1/2 (851mm)
# of Doors	2
# of Shelves	2
# of Pans	18
Net Capacity (cu. ft.)	11.1
Shelf Size (L x D) (in.)	21 x 17
Net Weight (lbs.)	247
Gross Weight (lbs.)	259

Design and specifications subject to change without notice.
Actual shipping weight may differ due to extra packing materials for product protection.
* Depth does not include 3" for cutting boards.
† Height does not include 4-1/2" for caster height.

■ **WARRANTY :** **5 Year Parts and Labor Warranty**
**7 Year Compressor Warranty**
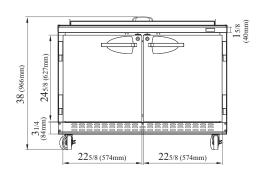

■ **STANDARD FEATURES**
- *Anti-corrosion coated evaporator*
- *Self-contained system*
- *4" dia. swivel casters with locks on the front set*
- *1/6 size, 4" deep condiment pans included*
- *Door locks*

■ **OPTIONAL ACCESSORIES**
- 1" caster, ½" diameter & 13 TPI: S28R813660 (non-brake)
- 2.5" caster, ½" diameter & 13 TPI: 30265H0100 (non-brake), 30265H0200 (w/ brake)
- 5" caster, ½" diameter & 13 TPI: M726500100 (non-brake), M726500200 (w/ brake)
- Leveling leg, ½" - 13 TPI x 1.54": LFM1213566
- 6" ABS plastic leg: 30221M0200
- 6" stainless steel leg: 30221M0600
